KINGFISH VS. BOBBERS RECAP

In 2020, the COVID-19 pandemic threw a curveball at Northwoods League Play. The Kingfish's season seemed improbable, and players who traveled from all across the country had to consider heading home. When all hope in a season seemed lost, a new idea emerged to the surface. The Madison Mallards agreed to play in Kenosha for the summer under a name that would be chosen by means of a "Name the Team" contest. Several ideas were submitted, but the name that rose to the top was "K-Town Bobbers," which was submitted by Jacob Gunderson, and the rest is history. The Bobbers were featured in the 26-game Kenosha Series which started on July 15, 2020 as a part of the Northwoods League "Pod" system of play.

With fan safety regulations put in place, Historic Simmons Field hosted NWL baseball between Wednesdays and Sundays from July 15 through August 22. The limited crowd, which could not exceed 25% capacity, watched the Kingfish dominate the Bobbers for the majority of the season. The series concluded with the Kenosha Kingfish finishing 17-9, and being crowned the 2020 Northwoods League Regional Champions. The regional trophy can be seen on display in the American Outfitters Team Store.
