NOTES TO KNOW

Last time out . . .

The Huskies return to Wade Stadium after splitting a doubleheader with the Thunder Bay Border Cats in the first two games of a six-game series, dropping game one, 14-1, and snatching the finale, 9-4.

In game one, errors and walks doomed the Huskies, especially in the first two innings where they allowed four (4) runs in the first and five runs (5) in the second. The Huskies finished the game with four (4) errors and issued 14 free passes (12 walks, 2 hit batters).

In game two, the Huskies came up with an admirable response, especially after going down early again, allowing three (3) runs in the bottom of the first. However, they would respond with a four-run top of the second before taking the lead for good in the fifth and getting a 9-4 win.

Hot as Huskies in Hawaii

Through 10 games played this year, the Huskies offense has been on fire, scoring 66 runs (6.66 per game). In large part, the top of the lineup has led the charge swinging white-hot bats to start the season.

Scouting the Border Cats

Thunder Bay is off to a fantastic start this season, starting the year off with a blistering 8-2 mark, leading the Great Plains East division.

Defense and pitching have been the story for the Border Cats, the only Northwoods League team in Canada. Their 2.85 ERA as a team ranks 2nd in the NWL, the 1.42 WHIP ranks 5th, and their 60.6 FPS% ranks 2nd as well.

The offense has been adequate enough on every given night, scoring more than 3 runs in all but two games, both of which they won.

Aside from the loss vs Duluth in game two of the doubleheader, Thunder Bay's only other loss on the season was on the road at La Cross, a 5-4 setback on May 30th. In the time between losses, the Border Cats won five (5) straight GP.

Offensively, the Border Cats are led by **Cole Ketzner**, with a team-leading 1.150 OPS and 9 RBI. He hit a grand slam in game one of the doubleheader, providing the offense in the Border Cats' 4-run first that would be all the need.

Fireworks Not Just for Friday

Wade Stadium may be having real fireworks on Friday, but the Huskies offense is capable of putting on their own show any given game day. So far this season, the Huskies have scored 66 runs for an average of 6.66 runs per game.

In their six (6) wins this year, the Huskies have scored double digit runs in four (4) of them, with one of the times they did not achieve it being their last game when they scored nine (9).

Welcome Home, Huskies

The Huskies will play at Wade Stadium (see more on pg 4) for the third time in the 2024 season on Friday (1-1). In the 2023 season, the Huskies went 20-16 at home.

Wade Stadium has been the Huskies home ballpark since the Huskies formed back in 2003, meaning the stadium is in their 22nd season of hosting the Huskies this year (no season for the Huskies in 2020 due to COVID-19).

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. Pitcher **Devin Dodson** and third baseman **Ethan Cole** are both returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI and is off to a great start again this year, belting his first home run last time out and leading the team with six)6_ doubles.Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record.

Along with Cole, there are two other Duluth, Minn. natives on the roster. **Joe Vos** (St. Thomas) and **Charlie Sutherland** (Minnesota) are both also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
