NOTES TO KNOW

Last time out . . .

The Huskies return to Wade Stadium after taking two in a row from Thunder Bay, closing out a six game series against the Border Cats in a 3-3 split. During the games, the Huskies hit three home runs, all of which gave Duluth the lead after they were either tied or trailing.

Game one was one of the wilder games you might ever see in baseball with Duluth winning, 11-10. The big hit in this game came off the bat of Nebraska Omaha's Cardel Dick, a three-run blast that gave Duluth an 8-6 lead. The winning run, however, was scored via an error.

In game two, the only runs for Duluth scored came via the long ball. First, it was a grand slam from Brady Sullivan. Then, in the ninth, MJ Sweeney broke a 4-4 tie with a two-run home run.

Offense leads the way

After the 2023 season where the Huskies averaged 7.72 runs per game, the Huskies offense is once again off to a blistering start. Through 14 games, the Huskies have scored 90 runs for an average of 6.42 runs per game, the 8th best mark in the Northwoods League.

In their eight (8) victories, the Huskies offense has scored 75 of their 90 runs, for an average of 9.38 runs per game. On the flip side, this means in their six (6) losses, that number plummets to just 2.5 runs per game.

Huskies Homers

In their road sweep at Thunder Bay, the Huskies belted three (3) home runs, one each from Brady Sullivan, Cardel Dick, and MJ Sweeney. It gives the Huskies nine (9) homers on the season, a mark that

PLAYER SPOTLIGHT

It had been a bit of a rough summer prior, but **Cardel Dick**'s bat woke up in a big way back in his home country. The Abbotsford, B.C. native went 3-for-6 with 4 RBI, including the big home run Sunday, and 3 walks over the two games.

On Monday morning, **Cale Haugen** turned in the longest, and best, start of the summer for the Huskies. He limited Thunder Bay to just two runs over seven strong innings, scattering eight hits, striking out three, and most importantly, walking no one.

is third-most in the Great Plains behind Eau Claire (14) and St. Cloud (12). Of Duluth's nine home runs, eight (8) have come on the road.

MJ Sweeney's go-ahead home run on Monday was his third home run of the season. The 6'7 slugger is tied for fifth atop the home runs leaderboard in the Northwoods League.

With the homers from Sullivan and Dick, the Huskies now have had six (6) different players who have left the yard this season.

Looking at the Loggers

La Crosse comes into the Wade with a matching 8-6 record as the Huskies; however, contrary to the Huskies, they have lost two games in a row. Both came against the Wisconsin Rapids Rafters in a home-and-home, dropping the first game on the road, 8-5, and losing the second game at home, 5-3.

Keeping opponents off the board has been the calling card for the Loggers this season, with the team ERA of 4.43 ranking 5th in the Northwoods League.

On the flip side, their offense has only eclipsed six (6) runs just once in their start to the season. As a whole, the Loggers have scored just 70 runs, 7th-fewest in the Northwoods League. However, once the Huskies get runners on base, look out. They've swiped 53 bases so far this season, most in the Northwoods League.

The offense is led by Matthew Miura and Jack Collins. Miura is an on-base machine so far, with a team-leading .368 BA. Collins leads the team with five (5) doubles, has a home run on the season as well as a 1.060 OPS.

Welcome Home, Huskies

Through the first 14 games of the season, the Huskies have played just four (4) of them in the friendly confines of Wade Stadium. The series against La Crosse marks the beginning of a four-game home stand, the first extended home stand of the season for Duluth. In all, they will be at home for seven (7) of their next eight games played.

Last season, Duluth went 20-16 at home; however, this season, they are just 1-3.

Wade Stadium has been the Huskies home ballpark since the Huskies formed back in 2003, meaning the stadium is in their 22nd season of hosting the Huskies this year. If the math is not mathing for you there, there is a season lost in there due to the COVID-19 pandemic in 2020, a year in which the Huskies did not participate in the league's season.

Come on Down to the Wade!

In the home opening weekend of the season, the Huskies drew a combined 2,199 fans. That number is the most in Duluth's opening weekend since 2018.

Promotions for the upcoming series vs La Crosse include:

June 11: Rainy Day Special - all walk up customers will receive a BOGO 50% off voucher to redeem at any future home games in the 2024 season.

June 12: 25% off Hot Dogs.

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. Pitcher **Devin Dodson** and third baseman **Ethan Cole** are both returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI and is off to a great start again this year, belting his first home run last time out and leading the team with six)6_ doubles.Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record.

Along with Cole, there are two other Duluth, Minn. natives on the roster. **Joe Vos** (St. Thomas) and **Charlie Sutherland** (Minnesota) are both also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
