NOTES TO KNOW

Division leading Loggers back at Wade

For a second time this season, the Huskies will welcome in a team with the need to finish a prior game suspended in progress. The Loggers return to Wade Stadium following an earlier trip to Duluth on June 11 and 12. The June 12 game was rained out, and will be resumed as part one of a doubleheader played on Tuesday, with the second game being just seven innings. A third game in the series will be played on Tuesday.

Last time out . . .

The Huskies are back home for the first time in over a week following a four game road trip and two off days. Most recently, they were in Thunder Bay for the final time of the summer. The Huskies earned a split with the Border Cats, defeating Thunder Bay, 3-1, in game one, and losing, 8-4, in game two.

Pitching led the way for the Huskies in game one, with the staff combining to record 10 strikeouts and surrender just four (4) hits. On the offensive side, two (2) home runs led the way for the Huskies, one each from Ethan Gonzalez and Ethan Cole.

In game two, the Huskies led 4-2, but the wheels fell off after that. The offense dried up and the pitching staff allowed three (3) runs each in the fifth and the eighth to defeat.

Progress from the Pitching

In the past week, the Huskies have turned in their two best performances on the mound all year long. On June 19, they recorded their first shutout of the season against the Rochester Honkers. They followed that up on the next game by allowing just four hits and a single run against Thunder Bay.

PLAYER SPOTLIGHT

A demotion down in the lineup has really ignited the play of **Jayden Duplantier** lately. In his last five (5) games played, Duplantier is 9-for-19 with two doubles and two walks. His season average is up to .300, third on the team.

In the last week, **Reagan Reeder** has found a power stroke and a penchant for big hits for Duluth. He's hit three home runs in the last week along with 9 RBI. Strikeouts have been piling up, but despite the .150 BA, the OPS sits at a respectable .661.

There were a couple of blowup games in there, but the Huskies have allowed five (5) or fewer runs in four (4) of their past six games played

Down the stretch we go

With the Northwoods League playoff format, the seasons is reaching a critical point. The leader at the end of the first half of the season in each subdivision will automatically receive a berth in the postseason. Just nine (9) games remain for the Huskies in the first half of the season, and the next five are all critical. La Crosse and Waterloo, the Huskies next series, are the two teams currently ahead of the Huskies in the standings. The three teams are separated by just two (2) games in the standings. The good news for Duluth? Seven (7) of the nine games played will be at home for the Huskies.

Looking at the Loggers

There hasn't been a team hotter than the Loggers in the time since the Huskies and the Loggers last met. La Crosse is 8-2 in their last 10 games, including winners of six (6) games in a row. They have since become the leaders of the Great Plains East division at a critical juncture with the most important baseball of the season to date coming up.

The pitching staff has been dominant for the Loggers in the six-game win streak. Over the time, they've allowed just 17 runs, for an average of 2.83 per game. Take out one game in which the Loggers allowed eight (8), and that's nine (9) over five games played. Overall, the staff has just a .222 oBA, best in the league.

Offensively, the Loggers will look a bit different than they did last time the teams faced off. The Loggers lineup got a big injection when Case Sanderson joined the team. In his six games, the Nebraska Cornhusker is slashing a cool .478/.567/.609 with 11 RBI. The team still swipes bases as much as they can. Their 94 stolen bases is the most in the league.

Home Run Huskies

After hitting 60 home runs last season, fourth most in the league, the Huskies have started to rediscover that power stroke from last year in the last week or so. In the last 10 games played, they have hit 10 home runs to more than double the total they had since the teams met last time on June 11.

MJ Sweeney is leading the team and is tied for second in the league, with six home runs on the season for Duluth. That included a stretch of three straight games played with a home run for Sweeney against the Eau Claire Express that set the table for the recent run of power the Huskies have found.

Come on Down to the Wade!

In the home opening weekend of the season, the Huskies drew a combined 2,199 fans. That number is the most in Duluth's opening weekend since 2018.

Promotions for the upcoming series vs La Crosse include:

June 25: Esko Baseball Appreciation Night, Taco Tuesday ($5 Taco in a Bag)

June 26: Duluth East Baseball Appreciation Night, 25% off Hot Dogs

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. Pitcher **Devin Dodson** and third baseman **Ethan Cole** are both returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record.

Along with Cole, there are two other Duluth, Minn. natives on the roster. **Joe Vos** (St. Thomas) and **Charlie Sutherland** (Minnesota) are both also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
