NOTES TO KNOW

Battle with the Bucks for first time this year

The Huskies will play their fourth and fifth straight games at home as they welcome the Waterloo Bucks into town. These will be the first meetings of the season for the two squads and the only ones in the first half. The two teams will meet six more times throughout the season.

Last time out . . .

The Huskies were swept in three games in the last two days by the La Crosse Loggers at Wade Stadium. On Tuesday, the Huskies lost two absolutely heartbreaking games in a doubleheader. The first was a barnburner: 13-12 in 10 innings. Despite leading 6-2 and 10-6. the Huskies blew the lead in the late innings, dropping a game for the first time when leading through seven innings. In game two, the Huskies got a fantastic pitching performance from Anthony Andrews but the offense fell flat after giving the team an early, 2-0, lead. They would load the bases with nobody out in the ninth with a chance to tie the game, but struck out three times in a row to end the threat and the game. It was the first time the Huskies lost a game when scoring first this year.

Game two was essentially over from the word go. Cale Haugen had some uncharacteristic struggles and the Huskies trailed early in the game and would not recover. The sweep by La Crosse is already the third time the Huskies have been swept at Wade Stadium this year in just their sixth home set of the year. The loss dropped the Huskies to .500 for the first time since they were 6-6 following the first time the Huskies were swept at home: June 7/8 vs Thunder Bay.

PLAYER SPOTLIGHT

With the average sitting below the Mendoza line not long ago, **Jayden Duplantier** has been on a torrid stretch since. The last seven games has seen Duplantier go 14-for-28, and he now leads the team with a .340 BA.

Look at the league offensive leaderboards, and you won't have to look too far to find **MJ Sweeney**'s name. The slugger currently sits fourth in both RBI (29) and home runs (7) atop the Northwoods League leaderboard.

Down the stretch we go

With the Northwoods League playoff format, the seasons is reaching a critical point. The leader at the end of the first half of the season in each subdivision will automatically receive a berth in the postseason. Just six (6) games remain for the Huskies in the first half of the season. While the division looks to be out of reach for the first half, each game matters as if whoever wins the division in the first half does so in the second as well, the team with the next best overall record will receive the second playoff berth from the division. Waterloo is currently two games ahead of the Huskies in the standings.

MJ is Mashing

Huskies first baseman MJ Sweeney has been an absolute menace at the plate this season for the Huskies. In 27 games played so far this season, the 6'7 slugger is slashing .340/.427/.612 with seven (7) home runs and 29 RBIs. Each of those marks rank near the top of the Northwoods League; his seven homers ranks 3rd in the league while the 29 RBIs ranks 4th.

Home Run Huskies

After hitting 60 home runs last season, fourth most in the league, the Huskies have started to rediscover that power stroke from last year. Since June 16, the Huskies have blasted 12 home runs to bring their total to 21 on the season.

Two Huskies in particular have really come alive in that stretch. Reagan Reeder and MJ Sweeney have each hit four home runs over that stretch to combine for eight of the 12 for Duluth.

Points on the Bucks

Waterloo comes to town trailing division-leading La Crosse by three games in the division, making these games vitally important for them. However, they are coming off of an insane loss to the Rochester Honkers on the road in which they allowed eight runs, yet just one hit. All eight runs came in the sixth on eight walks, a hit batter and the Honkers lone hit of the game. On the flip side, the Bucks had 17 hits, and came up just short in their comeback bid.

The Bucks have been led by their offense this year and it's been fantastic. Their .804 OPS as a team is 4th in the Northwoods League and the BB/K ratio of 0.79 is also fourth. In the last four games, the Bucks have eclipsed six runs in each of them. Larry Edwards leads the charge for the Bucks, with his team-leading 24 RBIs and eight (8) doubles.

Come on Down to the Wade!

In the home opening weekend of the season, the Huskies drew a combined 2,199 fans. That number is the most in Duluth's opening weekend since 2018.

For these upcoming games with Waterloo, the Huskies are expecting two of their largest crowds of the season far.

Promotions for the upcoming series vs Waterloo include:

June 27: Margaritaville ($5 drinks), Lei giveaway (first 250 fans)

June 28: Team Poster Giveaway

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. Pitcher **Devin Dodson** and third baseman **Ethan Cole** are both returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record.

Along with Cole, there are two other Duluth, Minn. natives on the roster. **Joe Vos** (St. Thomas) and **Charlie Sutherland** (Minnesota) are both also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
