NOTES TO KNOW

Second half starts now

The first half of play is in the books and no time is wasted before the second half of play gets going. The standings will now reset for the second half with Rockford, Wausau, Willmar and La Crosse all locking up playoff berths by way of havinf the best record in the first half. Bismarck comes into town for a two-game series at the Wade to conclude a four-game home stand.

Since the Northwoods League went to the Great Plains-Great Lakes divisional format, the Huskies have qualified for the playoffs twice (2021 and 2022). Both times the Huskies have qualified for the postseason in the second half of the season.

Last time out . . .

The Huskies began the home stand by picking up a split against the St. Cloud Rox. In game one, Duluth errors proved costly in a three-run sixth inning to break a 1-1 tie. St. Cloud scored four more in the eighth to break it open. For the Huskies, offense was tough to come by despite picking up nine hits. MJ Sweeney did deliver his eighth home run and 30th RBI in this game.

In game two, the Huskies pitching staff took over the game and turned in a masterclass performance. Led by Colin Carney (7.1 IP), the Huskies held the Rox to just six hits in recording their second shutout of the season. While the Huskies did only have four hits of their own, they came at good times. Duluth scored once each in the seventh and the eighth where they recorded all four of their hits to take the victory, 2-0. With the win, the Huskies took the season series over the Rox, winning three (3) of 4 games.

PLAYER SPOTLIGHT

Hustle, hustle, hustle. SS **Jayden Duplantier** delivered what might have been the biggest play of the game, beating out a sharp grounder to short for an RBI infield single, giving he Huskies a big insurance run in their 2-0 win.

It's most certainly worth taking a look at the roster page of this packet (pg 6). With a new half of the season beginning, a lot of new faces will be joining the squad to try to bring the Huskies back to the playoffs.

MJ is Mashing

After going 0-for-8 against the Wausau Woodchucks, MJ Sweeney rebounded in a big way against the Rox. The Huskies' slugger went 3-for-8 with a HR to make it 8 HR and 30 RBIs on the season for him.

In the Northwoods League, you won't need to look too far to find MJ Sweeney's name. His 30 RBI ranks tied for 6th in the league and 8 HR is tied for 2nd. Of players with at least 30 games played, Sweeney's .990 OPS is 4th in the league.

The first series against the Larks would probably mark Sweeney's coming out party. He went 5-for-7 with 2 RBI and hit his first home run in the Huskies two-game sweep.

Home Run Huskies

After hitting 60 home runs last season, fourth most in the league, the Huskies have started to rediscover that power stroke from last year. Since June 16, the Huskies have blasted 15 home runs to bring their total to 24 on the season. That's 15 home runs in the last 16 days.

Two Huskies in particular have really come alive in that stretch. Reagan Reeder (4) and MJ Sweeney (5) have combined to hit nine (9) of the 15 home runs for the squad.

Strike Hard, Strike Fast, No Mercy

So far this season, the Huskies have had vast success when striking first and striking hard. This year, the Huskies are an impressive 12-3 when scoring the first run of the game. When outhitting an opponent for the game overall, Duluth is also 12-3.

Previously on . . .

The series vs the Larks marks the first visit for Bismarck to the Wade this season, but it is the third and fourth meetings of the season between the two teams. The Huskies headed to Bismarck in the third and fourth games of the season, picking up two wins in two different ways.

In game one, the Huskies jumped on the Larks early, scoring five (5) runs in the first two innings and then hanging on for dear life at the end, winning 6-4. On the flip side, the Huskies were held down in the beginning of the game in game two before scoring in four (4) of the final five innings, and nine (9) times total, to grab a, 10-4, win. They took advantage of five (5) Larks errors in the contest as well.

Cardell Thibodeaux and Joe Vos each recorded four (4) hits to lead the charge for the Huskies offense in the series while MJ Sweeney had five (5). The Huskies also played defense, not having a single error in the series while the Larks had seven (7).

Looking at the Larks

Bismarck finished the first half of the season with a twin .500 record as the Huskies, 18-18. Offensively, the Larks have been a juggernaut in part due to the 295 free passes opposing teams have issued them, including a league-leading 73 hit batters. However, they will have to attempt to navigate the second half without their best hitter to this point in Theo Bryant IV (.370 BA, 15 RBI), who is not on the roster for the second half.

The defensive side has given Bismarck trouble. Their 62 errors on the season are 2nd in the Northwoods League.

Life is better at the Wade!

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P **Devin Dodson,** 3B **Ethan Cole**, and OF **Joe Vos** are all returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record. Vos is back for his third season as well, hitting .203 in 26 GP last season. His first season was his best, however, with 19 RBI and a .777 OPS in 27 GP in 2022.

Ethan Cole and Joe Vos are both from Duluth, Minn. and there is one other Duluth native on the team: **Charlie Sutherland** (Minnesota) is also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
