NOTES TO KNOW

Cats and Dogs clash at the top of the East

The Thunder Bay Border Cats and the Duluth Huskies match up at Wade Stadium this week. The Huskies and Border Cats have twin 3-1 records and currently lead the Great Plains East by one game.

The Border Cats have been the Huskies most familiar matchup to date this season. The series this week marks the ninth and tenth meetings between the two teams. Duluth has not played any other team more than four times yet.

Last time out . . .

The Huskies hit the road for the first time in the second half to begin the weekend and came back with a sweep over the Waterloo Bucks. In game one, the Huskies overcame a 12-0 deficit with 13 unanswered runs and an incredible victory. MJ Sweeney had an incredible nine (9) RBIs in the victory, including the go-ahead grand slam in the top of the ninth that turned a three-run deficit into a one-run lead. Ethan Cole, in his second appearance on the mound this season, entered the game with the Huskies down 12-0, and gave the Huskies a shot to win with 3.2 shutout innings. Caden Kratz finished the job with a save in the ninth.

In game two, the run parade carried on for the Huskies. They plated 12 more in a dominant win, 12-1. Max Coupe (4 RBI) and Joshua Duarte (3 RBI) carried the load offensively for the Huskies in this one as Sweeney was held quiet. But it didn't matter for the Huskies as they got a big start out of Isaac Rohde (6.0 IP, 2 H, 0 R).

PLAYER SPOTLIGHT

The Huskies had the NWL MVP last year and **MJ Sweeney** is not too far off, if at all, from reaching that conversation for this year. His 10 HR and 40 RBIs both rank 2nd in the Northwoods League.

Max Coupe hasn't been with the Huskies for too long yet, but he's had a couple of fantastic games for Duluth, including game two vs Waterloo. He had four RBIs in the game, his second such game of his young summer so far.

BY THE NUMBERS

25

Runs by the Huskies last series vs Waterloo, their most in a series since last season.

24

Unanswered runs by the Huskies from the point they were trailing 12-0 to when Waterloo next scored.

14-2

Huskies record when allowing 4 or fewer runs in a game. After allowing 13, the Huskies allowed just two in game two.

MJ is Mashing

9 RBIs in a game will do this for you, but MJ Sweeney vaulted up the offensive leaderboards with his performance against Waterloo last weekend. He hit two home runs to give him 10 on the season and his RBI total is now up to an even 40 on the year. Both of these numbers are second in the Northwoods League.

Offensive Onslaught

The Huskies scored 25 runs in the series against the Bucks, the Huskies most over a two-game series since June 28/29 of last season, also against Waterloo. At one point, the Huskies scored 24 unanswered runs in the series. This is the second series this season that the Huskies have scored 20+ runs in a two-game series this year (May 31/June 1 vs St. Cloud, 23).

Previously on . . .

The matchups between the Huskies and the Border Cats have been about as even as it gets so far this season. The two teams have split the previous eight meetings in the season so far. Thunder Bay is outscoring the Huskies, 58-41, so far. Two more matchups at the Wade are coming in the second half on July 30/31.

Border Cats Breakdown

Thunder Bay got out to a blazing hot start, opening the season 10-2 and out to a commanding lead in the Great Plains East. However, their hunt for the squad's first playoff berth since 2008 was thwarted by a mid-half dry spell, dropping 10 of 13. They finished the half winning five (5) of six, but by then it was too little, too late. For the first half. So far in the second half, the Border Cats have carried the momentum from the end of the first half. They've opened by grabbing a split with St. Cloud and sweeping the team that caught them for the division, La Crosse.

Cole Ketzner (.962 OPS, 26 RBI) and Zane Skansi (.939 OPS, 22 RBI) have survived the roster turnover north of the border which is a good thing for the Border Cats offense. They've been some of their most consistent performers all year and they've each done well against the Huskies. 10 of Ketzner's RBIs have come in the eight games against Duluth. Skansi has had a hit in all but one of his seven games against Duluth and seven (7) RBIs as well.

Thunder Bay's pitching staff will also present a challenge for the Huskies this week. While they haven't been as dominant as the beginning of the year, the staff ERA sits at 4.33, 4th-best in the Northwoods League.

Life is better at the Wade!

Promotions for the upcoming series vs Thunder Bay include:

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P **Devin Dodson,** 3B **Ethan Cole**, OF **Joe Vos**, OF **Max Coupe** and OF **Joshua Duarte** are all returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record. Vos is back for his third season as well, hitting .203 in 26 GP last season. His first season was his best, however, with 19 RBI and a .777 OPS in 27 GP in 2022. Coupe and Duarte both starred as part of the dominant Huskies offense last year. Duarte was the Northwoods League leader in batting average last season (.398). Coupe had an .835 OPS and 35 RBIs last season. He also stole 29 bases.

Ethan Cole and Joe Vos are both from Duluth, Minn. and there is one other Duluth native on the team: **Charlie Sutherland** (Minnesota) is also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
