NOTES TO KNOW

Series with the Express comes to the Wade

The Duluth Huskies and the Eau Claire Express match up for the third and fourth straight times. After a doubleheader set at Copeland Park, the series shifts to Wade Stadium for the final two games of the series.

Last time out . . .

The Huskies swept the doubleheader series at Copeland Park on Thursday in two very different played games. In game one, the Huskies used a late-inning comeback to get the job done. Trailing, 7-5, through seven innings, the Huskies got two runs in the eighth on back-to-back bases loaded walks to tie the contest. The game made it to extras, and the Huskies ambushed the Express in the 12th. Jake Downing led the inning off with a two-run homer, his first of the season. Then, Cardell Thibodeaux drove in a pair with a double later in the inning.

In game two, the Huskies pitching staff shone. Jackson Smith and Jakob Schulz combined to allow just two hits over the entire second game and gave the Huskies their third shutout victory of the year.

With the staff working the way they were, the Huskies offense didn't need to do much. They scattered five runs across four different frames, which proved to be plenty, Cardell Thibodeaux hit another home run in the game. He finished the doubleheader 4-for-8 with a double, two home runs, five RBIs and three walks.

Huskies can hit

In both games of the doubleheader, the Huskies reached the 10-hit mark. In the second half of the season, the Huskies have had at least

PLAYER SPOTLIGHT

One of the youngest players on the team, 2B **Jake Downing** has been one of the Huskies' best lately. The future Cal Poly Mustang is on a 9-game hit streak. He has 7 RBIs over that stretch, including the go-ahead home run in extras in game one of the prior DH.

OF **Cardell Thibodeaux** dominated the doubleheader Friday. Over the two games, Thibodeaux was 4-for-8 with a double, two home runs, five RBIs, and three walks.

10 hits in seven (7) of the 10 games so far. In those seven games, the Huskies hold a record of 4-3, but the offense is averaging 8.14 runs per game.

On the right track

So far this season, the Huskies have defeated the Express in five (5) out of their six matchups and outscoring them, 50-25. This comes just one season after the Express dominated the Huskies last season, going a perfect, 8-0. Last year, seven (7) of the eight were decided by three runs or fewer. So far, that number is three (3) of six but that's not counting game one of the doubleheader that the Huskies blew open in extras. This series will be the seventh and eighth meetings between the teams, but they won't be done yet. By the time the season is over, the teams will have played 12 times.

Eyeing the Express

This season has been a bit of a tough one for the Express so far. They currently sit eight games below .500 and have lost four straight following a 2-1 start to the second half.

The Express sport a top-10 offense this summer that has been driven by the long ball. Eau Claire's 39 home runs are tied for the fifth-most in the entire league. Their leader in that category is Brigs Richartz with seven (7). Along with that, Richartz also leads the team with 13 doubles and 26 RBIs.

The pitching side of the game has been the issue for the Express this season. The staff ERA sits at 7.24, the third-worst mark in the league, better than just Minnesota and Minot. They've struggled to keep the ball in the yard, allowing 45 homers, second-most in the league. That number feels worse by the fact that it always seems like there's people on base, aided by a staff that's walked the fourth most batters in the league (282).

Back to Basics

Offense may be flashy, but a lot of the Huskies recent success can be attributed to getting back to the. basics: pitching and defense. Over the last week (8 games), the team has averaged just one per game and that includes four clean games of zero errors.

As for the staff, Duluth's pitching has had a major turnaround. After spending most of the first half in the bottom half of the league, the staff has officially moved into the top 10 in ERA (5.55, 10th) and oBA (.257, 8th). The continued ability to keep the ball in the ballpark has been impressive all season. Duluth has allowed just 15 home runs all season, third-fewest in the league.

Life is better at the Wade!

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P Devin Dodson, 3B Ethan Cole, OF Joe Vos, OF Max Coupe and OF Joshua Duarte are all returning to the Huskies this season from last year.

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P **Devin Dodson,** 3B **Ethan Cole**, OF **Joe Vos**, OF **Max Coupe** and OF **Joshua Duarte** are all returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record. Vos is back for his third season as well, hitting .203 in 26 GP last season. His first season was his best, however, with 19 RBI and a .777 OPS in 27 GP in 2022. Coupe and Duarte both starred as part of the dominant Huskies offense last year. Duarte was the Northwoods League leader in batting average last season (.398). Coupe had an .835 OPS and 35 RBIs last season. He also stole 29 bases.

Ethan Cole and Joe Vos are both from Duluth, Minn. and there is one other Duluth native on the team: **Charlie Sutherland** (Minnesota) is also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
