NOTES TO KNOW

Second half leaders in town for first time

The Duluth Huskies and the Rochester Honkers will do battle at the Wade in a weekend wraparound matchup. The Honkers currently lead the second half Great Plains East standings with the Huskies sitting 2.5 games back.

Last time out . . .

The Huskies took three out of four in their most recent series against the Eau Claire Express. Most recently, they split a pair of games at Wade Stadium. In game one, the Huskies coasted out to a, 9-2, lead. However, despite three RBIs from Joe Vos and two from Tyler Palmer, plus a fabulous seven innings on the mound from Joshua Butler, they would allow two runs in the eighth and six in the ninth and fell, 10-9, in the series opener.

In game two, the Huskies rebounded nicely. Isaac Rohde one-upped Butler from the day before, going eight innings and holding the Express to just one run. This time, the bullpen locked it down in the late innings, with All-Star reliever Caden Kratz finishing the job in the ninth with his fourth save of the season. As for the offense, they put at least one baserunner on in each inning and mustered plenty of offense to get the job done on a day in which the staff was so dominant. They scored one run in the second, fifth, sixth, and eighth to clinch the victory, 4-1.

had nine apiece. In those seven games, the Huskies hold a record of 4-3, but the offense is averaging 8.14 runs per game.

Superior Staff

The Duluth pitching staff has enjoyed one of the better turnarounds of any team in the Northwoods League this season. After spending much of the first half in the bottom half of the league in many pitching categories, the Huskies have made a big rise in the ranks. They now rank top-10 in the NWL in team ERA (5.52, 10th) and oBA (.256, 7th). The continued ability to keep the ball in the ballpark has been impressive all season. Duluth has allowed just 15 home runs all season, third-fewest in the league.

Back to Basics

Offense may be flashy, but a lot of the Huskies recent success can be attributed to getting back to the. basics: pitching and defense. Over the last 10 games, the team has committed just 11 errors, and that includes four clean games of zero errors. They committed three over the last two games at Wade Stadium vs the Express.

Not your first half's Honkers

The Rochester Honkers are trying to orchestrate the second straight worst-to-first playoff comeback in the Great Plains East. La Crosse did it last year, and after a miserable first half in which the Honkers were 12-24, they have started the second half 8-2, leading the division by 1.5 games. A lot of it has to do with the resurgent offense that is averaging 8.3 runs per game in the second half, following a first half in which they averaged 5.47 runs per game. An infusion of talent for the second half has helped, but Rochester has been doing some good things all season long. For instance, they have clubbed 44 home runs, third-most in the NWL. They have also had two of the league's best run-producers this season for the entirety of the year. Augusto Mungarrietta Lorenzo (37 RBIs) and Dom Rodriguez (36) rank tied for ninth and 13th respectively.

In the second half, Rochester's pitching has also held up their end of the bargain, a big reason why the run differential sits at +35 through 10 GP (83-48).

Strike First, Strike Hard

This season, getting out early and keeping the momentum up has been instrumental to success for the Huskies this season. They hold twin 16-5 records on the year when scoring first and when outhitting their opponents this season. With that being the case, it's an encouraging sign that the Huskies have average 9.67 hits per game in the second half and have been held below seven hits for a game just once this half.

All-Star Huskies

Three Huskies were named to the Northwoods League All=Star game. Charlie Sutherland, Caden Kratz, and MJ Sweeney will all be representing the Huskies in Mankato for the festivities July 22-24.

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P Devin Dodson, 3B Ethan Cole, OF Joe Vos, OF Max Coupe and OF Joshua Duarte are all returning to the Huskies this season from last year.

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P **Devin Dodson,** 3B **Ethan Cole**, OF **Joe Vos**, OF **Max Coupe** and OF **Joshua Duarte** are all returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record. Vos is back for his third season as well, hitting .203 in 26 GP last season. His first season was his best, however, with 19 RBI and a .777 OPS in 27 GP in 2022. Coupe and Duarte both starred as part of the dominant Huskies offense last year. Duarte was the Northwoods League leader in batting average last season (.398). Coupe had an .835 OPS and 35 RBIs last season. He also stole 29 bases.

Ethan Cole and Joe Vos are both from Duluth, Minn. and there is one other Duluth native on the team: **Charlie Sutherland** (Minnesota) is also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
