NOTES TO KNOW

Traveling Mud Puppies kick off post-ASB action

The Duluth Huskies welcome the Minnesota Mud Puppies to Wade Stadium for their first action post-All Star Break. The Mud Puppies play a road-only schedule, and the Huskies mark their 12th stop on the summer.

Last time out . . .

Before the All-Star Break, the Huskies swept a home-and-home series with the Eau Claire Express. They took game one on the road, 13-6, in a game in which they owned the middle innings. The Huskies plated ten runs in the middle three frames to turn what was a scoreless tie into a, 10-4, lead. The offense was sparked by Reagan Reeder, who had five RBIs in the contest including a three-run home run. In game two, the Huskies needed a big comeback, falling behind, 6-0, after the first two innings. However, the recipe for such a comeback was executed perfectly by Duluth. First, they didn't allow a single run after that, thanks to Isaac Rohde. He entered the game in relief in the second inning and didn't relinquish the ball after that. His final line: 7.1 IP, 2 H, 0 R, 2 BB, 10 K. As for the offense, they kept chipping away over time. They scored three in the fourth, one in the sixth and two in the seventh to tie the game up. Then, in the bottom of the ninth, a leadoff triple from Charlie Sutherland and a single from Joe Vos won it for the Huskies.

Run, Huskies, Run

In the second half, the Huskies have been a weapon on the basepaths. At the beginning of the second half, Duluth had swiped 61 bases, a mark that was good for 14th in the Northwoods League.

PLAYER SPOTLIGHT

Day one Huskies 3B **Charlie Sutherland** has been on fire as of late and a current owner of a 25-game on-base streak, the longest such streak by a Huskie this summer. The All-Star game doesn't count, but, yeah, he reached there too, drawing a walk.

There's a lot of talk about the Huskies improved running game and SS **Jayden Duplantier** has been a big part of it. He is currently 8th in the league with 26 stolen bases. Sixteen (16) of them have come in the second half.

BY THE NUMBERS

4

Huskies longest winning streak of the season. Winners of three straight, the Huskies have a chance to eclipse that with a sweep.

67

Stolen Bases in the second half for the Huskies, already more than the 61 they had in the entirety of the first half.

0.5

Games back are the Huskies from the division lead. It's the closest they've been since leading it on July 6.

cont. on pg 2

Twenty games into the second half, the Huskies have stolen a whopping 67 bases with still 16 games to play. That's an average of 3.35 per game. The increased success rate in those stolen bases is also an encouraging sight. The Huskies were just 73% in their stolen base attempts in the first half. That success rate is up to 93% in the second half. Jayden Duplantier (26/28 SB) has been the catalyst in the improved running game. His 26 stolen bases is 8th in the Northwoods League.

Superior Staff

The Duluth pitching staff has enjoyed one of the better turnarounds of any team in the Northwoods League this season. After spending much of the first half in the bottom half of the league in many pitching categories, the Huskies have made a big rise in the ranks. They rank in the top half of the NWL in team ERA (5.71, 12th) and oBA (.258, 8th). Plus, despite a current stretch in which the Huskies have allowed at least one home run in 7 of the last 8 games, the 27 total is still tied for 7th-fewest in the league.

Strike First, Strike Hard

This season, getting out early and keeping the momentum up has been instrumental to success for the Huskies this season. They hold records of 18-6 and 17-5 on the year when scoring first and when outhitting their opponents this season respectively. With that being the case, it's an encouraging sign that the Huskies have averaged 8.5 hits per game in the second half.

Meet the Mud Puppies

The Mud Puppies are a unique team in the Northwoods League. Based out of the MASH Baseball Complex in Savage, Minn. they are a team playing a schedule of just 36 games, all of which are on the road. They came about in the 2020 COVID-era season as a replacement for Thunder Bay, and have been off-and-on participants in the league ever since. This season, however, is one to forget. The on-field product for the Mud Puppies has been a mess this season, as they own just two wins in 22 games total on the season. They rank dead last in just about every meaningful statistic on both the pitching and hitting sides, even when you average their marks out for a full slate's worth of games.

That being said, the team does have a couple of dangerous pieces. All-Star C Brock Larsen has belted three home runs on the season and has an OPS of 1.025, leading Mud Puppies qualified hitters. Their other All-Star was P Liam Martin. He's pitched 30 innings on the summer and owns a 3.30 ERA and an oBA of .237, the best mark amongst Minnesota pitchers with double-digits innings pitched.

All-Star Huskies

Three Huskies were named to the Northwoods League All=Star game. Charlie Sutherland, Caden Kratz, and MJ Sweeney represented the Huskies in Mankato for the festivities July 22-24.

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P Devin Dodson, 3B Ethan Cole, OF Joe Vos, OF Max Coupe and OF Joshua Duarte are all returning to the Huskies this season from last year.

P Devin Dodson, 3B Ethan Cole, OF Joe Vos, OF Max Coupe and OF Joshua Duarte are all returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record. Vos is back for his third season as well, hitting .203 in 26 GP last season. His first season was his best, however, with 19 RBI and a .777 OPS in 27 GP in 2022. Coupe and Duarte both starred as part of the dominant Huskies offense last year. Duarte was the Northwoods League leader in batting average last season (.398). Coupe had an .835 OPS and 35 RBIs last season. He also stole 29 bases.

Ethan Cole and Joe Vos are both from Duluth, Minn. and there is one other Duluth native on the team: Charlie Sutherland (Minnesota) is also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
