NOTES TO KNOW

Final series with B-Cats is the biggest one yet

The Duluth Huskies' lengthy homestand concludes with the final two matchups of the summer against the Thunder Bay Border Cats. Thunder Bay currently sits two games back of the Huskies in the standings.

Last time out . . .

With a massive opportunity to grasp the lead of the Great Plains East, the Huskies put together a sweep of the Fond du Lac Dock Spiders. Both games were incredibly tight contests. In game one, the Huskies attacked the Dock Spiders early, scoring eight runs in the first three innings. Ethan Cole delivered the goods in the effort, knocking in a pair in both the first and third innings for a total of four RBIs on the day. After that, however, the Huskies did not score again. The staff, using six pitchers in the game, did just enough to hold off a late charge from the Dock Spiders for the win, 8-7.

In game two, the Huskies turned in a much better performance on the mound. Joshua Butler, even iinterrupted by a rain delay after the sixth, went seven strong innings, allowing just two runs and striking out six. They got all the offense they needed from a Cal Elvis three-run home run in the fourth that broke a 1-1 tie. Yet again, the Huskies were able to hold on just barely for a 4-3 win.

Run, Huskies, Run

In the second half, the Huskies have been a weapon on the basepaths. At the beginning of the second half, Duluth had swiped 61 bases, a mark that was good for 14th in the Northwoods League. In the second half, the Huskies have stolen a

PLAYER SPOTLIGHT

C **Cal Elvis** put one over the wall in game two against the Dock Spiders that proved to be the biggest hit of the game. His three-run home run led the Huskies to a, 4-3, victory.

For some, it's location, location, location. But for SS **Jayden Duplantier**, it's patience, patience, patience. He's drawn 11 walks in his last six games, with at least one in all six.

BY THE NUMBERS

5
Games over .500 for the Huskies, the most games over .500 they have been all season long.

35
Runs allowed for the Huskies over the last 7 GP, an average of 5.00 per game. Duluth is 6-1 in those games.

6
Home games left for the Huskies this summer. That number will increase if the Huskies make the playoffs.

whopping 88 bases with still 12 games to play. That's an average of 3.83 per game. The increased success rate in those stolen bases is also an encouraging sight. The Huskies were just 73% in their stolen base attempts in the first half. That success rate is up to 92% in the second half. Jayden Duplantier (27/29 SB) has been the catalyst in the improved running game. His 27 stolen bases is 8th in the Northwoods League. Keep an eye on the number to beat: 167, set in 2018.

Superior Staff

The Duluth pitching staff has enjoyed one of the better turnarounds of any team in the Northwoods League this season. After spending much of the first half in the bottom half of the league in many pitching categories, the Huskies have made a big rise in the ranks. They rank in the top-10 of the NWL in team ERA (5.57, 9th) and oBA (.257, 8th). Plus, despite a current stretch in which the Huskies have allowed at least one home run in 7 of the last 12 games, the 27 total is still tied for 5th-fewest in the league.

Catch up with the Border Cats

The Border Cats have been one of the Huskies most familiar foes on the summer. These two games represent the 11th and 12th meetings between the two squads. Thunder Bay was leading the division for a stretch not too long ago, however, they have lost four straight games played that opened the door for Duluth, including getting swept by the Eau Claire Express. As with most teams, roster turnover has affected them, but their All-Star catcher Jackson Cooke is still there, leading the team with 38 RBIs and owner of a 1.120 OPS on the season. However, newcomer Keegan Garis has been on fire to start. Through 15 GP, Garis is slashing .522/.639/.804 for a team-best 1.444 OPS.

The pitching side has taken a hit for Thunder Bay. In the last seven games, the Border Cats have allowed 71 runs, for an average of over 10 per game.

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P Devin Dodson, 3B Ethan Cole, OF Joe Vos, OF Max Coupe and OF Joshua Duarte are all returning to the Huskies this season from last year.

P Devin Dodson, 3B Ethan Cole, OF Joe Vos, OF Max Coupe and OF Joshua Duarte are all returning to the Huskies this season from last year.

Cole dazzled in his 8-game sample size with his hometown team, with a 1.366 OPS and 6 RBI. Dodson, now in his third season with Duluth, tossed 39.2 innings last summer with a 6.13 ERA as a starter, posting a 4-2 record. Vos is back for his third season as well, hitting .203 in 26 GP last season. His first season was his best, however, with 19 RBI and a .777 OPS in 27 GP in 2022. Coupe and Duarte both starred as part of the dominant Huskies offense last year. Duarte was the Northwoods League leader in batting average last season (.398). Coupe had an .835 OPS and 35 RBIs last season. He also stole 29 bases.

Ethan Cole and Joe Vos are both from Duluth, Minn. and there is one other Duluth native on the team: Charlie Sutherland (Minnesota) is also from Duluth. The trio all attended Duluth East HS and all played together in 2021 on the Greyhounds.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

- Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.
- The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.
- The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Halquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
