NOTES TO KNOW

Postseason baseball is here!

For the third time in four seasons, the Huskies are playoff bound. Seeking their first championship, the Huskies' journey starts with the Great Plains East Division Series against the La Crosse Loggers, the champions of the first half.

Regular Season Recap

The Huskies finished the first half of the season at .500, 17-17. The Huskies were in the hunt to capture the first half crown, but they finished the first half losing seven of the final 10, fading to fourth. Offense drove the wagon for the Huskies in the first half, scoring double-digit runs seven times out of the 34 games. However, the pitching and defense left something to be desired. The Huskies made 61 errors in the first half, most in the league.

The second half seemed to signal a foundational shift for the team. The offense became more opportunistic and utilizing the bunt and complimentary components more. They walked more and struck out less. The defense tightened up, making just 47 errors in the second half. The team ran more (more on pg 2). The pitching vastly improved (more on pg 2). And, the success of the team improved due to all of that, and the Huskies finished the second half, 21-14, winning the Great Plains East's second half crown and accompanying playoff berth.

Playing in the Postseason

The Huskies are back in the playoff for the ninth time overall and the third time in four seasons. That means the Huskies have made the postseason in 43% of their seasons (21st season),

PLAYER SPOTLIGHT

Last summer, OF **Joshua Duarte** won the Big Stick for the league's best batting average. It's taken him a bit to rediscover that form this summer, but the defense has always been there. A huge outfield assist in the tenth yesterday was proof of that. Postseason All-Star 3B **Charlie Sutherland** showed just how valuable he can be to the team with his performance in the regular season finale. He drilled a game-tying double in the ninth, then pitched a scoreless tenth in a 5-4 win.

BY THE NUMBERS

9
Playoff appearances in the Huskies' 21 seasons in the Northwoods League. They are still looking for their first title.

4
Team records broken this summer, two by individuals and two by the team. For which ones, see pg 4.

421
Walks drawn by the Huskies, the fifth-most in the Northwoods League. LAC has walked the 6th-most batters in the league.

Run, Huskies, Run

In the second half, the Huskies have been a weapon on the basepaths. At the beginning of the second half, Duluth had swiped 61 bases, a mark that was good for 14th in the Northwoods League. In the second half, the Huskies stole a whopping 120 bases, an average of 3.33 per game. The 181 total on the season is a new team record, shattering the previous mark of 167, set in 2018. The increased success rate in those stolen bases is also an encouraging sight. The Huskies were just 73% in their stolen base attempts in the first half (61/83). That success rate is up to 89.5% in the second half.

Superior Staff

The Duluth pitching staff has enjoyed one of the better turnarounds of any team in the Northwoods League this season. After spending much of the first half in the bottom half of the league in many pitching categories, the Huskies have made a big rise in the ranks. They rank in the top-10 of the NWL in team ERA (5.50, 9th) and have moved into the top five in oBA (.252, 5th). The oBA has seen an improvement of .013 from the .265 mark at the start of the second half, a number that ranked 15th in the league.

2nd Half Studs

Recently, the Northwoods League named their postseason All-Stars to honor players for their full season. Three Huskies were named to the team: SS Jayden Duplantier, 3B Charlie Sutherland and P Isaac Rohde. Duplantier was a common sight atop the Huskies leaders in batting average, and also was their biggest weapon on the basepaths, stealing 30 bases. Sutherland was Duluth's best run-producer and has been stapled to the three or four spot in the lineup for good reason. His 49 RBIs is best on the team and tied for 13th in the league. Rohde has been the Huskies best arm in the second half. His role has been a mix of starting and relief. He sports a 2.05 ERA in 52.2 IP, striking out 48.

Alpha Dogs

A couple Huskies have found themselves near to the top of the league leaderboards in some statistical categories. The Huskies, who have drawn the fifth-most walks in the league (421), have two batters in the top-five for most walks drawn: Cardell Thibodeaux (54, 2nd) and Joe Vos (51, T-4th). Additionally, Charlie Sutherland finished his second summer in the woods with 19 doubles, a mark that is tied for fourth in the league.

Looking at the Loggers

It sure has been a tale of two halves for the Loggers. The first half, they finished 22-12 to win the half and clinch the postseason. However, the second half was not nearly as kind to them as they were the worst team in the division (that played the full half). They carry an unsightly 11-25 record into the second half, almost a full 180 to what they did last summer. On paper, the team is still dangerous with an offense that ranks top-10 basically across the board. The best bat is Case Sanderson, ranking near the top of the league in RBIs (51, T-8th), BA (.359, 5th) and OPS (1.049). The offense hasn't been the issue. They allowed 287 runs over 36 games in the second half, almost eight runs per game (7.97). Keeping the walks (435, 6th) in check will be key in this matchup, one that on paper, they have dominated. They hold a 6-2 record over the Huskies this summer.

Hey, You Look Familiar

In the Northwoods League, it is pretty traditional to see an entire roster turn over from year-to-year, but the Huskies have a couple of faces that fans might recognize from last season. P Devin Dodson, 3B Ethan Cole, OF Joe Vos, OF Joshua Duarte and P Caden Edwards are all returning to the Huskies this season from last year.

Four members of the Huskies are from Duluth, Minn. Cole, Vos, Edwards and Charlie Sutherland. All four attended Duluth East HS. Three of them, Cole, Vos and Sutherland, were all teammates in 2021 for the Greyhounds and are now teaming up again three years later for the Huskies.

The Northwoods League

The Northwoods League was established in 1994 as the first for-profit summer collegiate baseball league. In order to participate in the league, players must have NCAA eligibility remaining, with the exception of up to four graduated senior pitchers per team. The major difference between the Northwoods League and the NCAA season is the use of wooden bats by the players as opposed to the aluminum bats they are allowed to use during the NCAA season in efforts to prepare them for the pros.

In 2018, the league moved to the separation of the league into two divisions, the Great Lakes and Great Plains, further separated into two subdivisions, East and West for both. The season is separated by two halves, with the subdivision winners of each half qualifying for the playoffs. In the event that the same team wins each half, the second playoff berth will go to the team in the subdivision with the next highest overall winning percentage.

The league, now in its 31st season of play, is set to play in its most expansive season yet, with 26 teams in the league this season following the addition of two expansion teams, the Badlands Big Sticks and Royal Oak Leprechauns, as well as the return of the traveling only Minnesota Mud Puppies.

The Green Bay Rockers won the League Championship last year, the first in team history. The Rochester Honkers own the most league titles (5).

WADE STADIUM

Duluth, Minn.

Frank Wade Municipal Stadium was built in 1941 as the Duluth All Sports Stadium to be home to the minor league baseball team, Duluth Dukes, of the Northern League. The stadium, located near the intersection of Grand Avenue and 34th Avenue West in the West Duluth neighborhood, is built with 381,000 bricks that once paved Grand Avenue, the same bricks still stand today. The stadium saw a renovation in 2015, seeing a switch to a turf field as well as a new drainage system, lighting and scoreboard.

Eventually, the stadium was renamed to Wade Stadium in honor of the Dukes original owner Frank Wade. After bouncing around affiliations, the Dukes would eventually relocate to Kansas City in 2002. The stadium would not be vacant for long as the Huskies came in 2003 and have called "The Wade" home since. The stadium is also home to The College of St. Scholastica as well as a select amount of high school games throughout the season as well.

LOOKING BACK . . .

Last season, the Huskies finished 36-32, going 16-16 in the first half of the season (4th in Great Plains East) and posting a 20-16 record in the second half of the season (3rd). A strong second half was unfortunately not enough to reach the postseason for the Huskies, missing the playoffs for the first time in three seasons.

The Huskies were electrifying at the plate last season, plating 525 runs in 68 games played for an average of 7.72 runs per game and ranking at or near the top of the league in many other offensive categories.

The Huskies placed seven (7) players in the Northwoods League All-Star game last season, including the league MVP, **Michael Hallquist**. In 57 games, Halquist slashed .355/.456/.659, leading the league with a 1.115 OPS. He drove in 62 runs while also hitting a league-leading 15 HR as the leader of the Huskies offense.
