# NWL EXPANDS IN 2026

## RICHMOND, INDIANA JOINS LEAGUE

The Northwoods League is thrilled to announce the addition of a new team in Richmond, Indiana, set to begin play in the 2026 season. This expansion marks an exciting return of high-level baseball to historic Don McBride Stadium, promising to deliver family-friendly entertainment and showcase elite college talent to the Richmond community. The new team, whose name and branding will be unveiled at a later date, will join the Northwoods League's roster of 24 teams across the Upper Midwest and Canada.

"We are ecstatic to welcome Richmond to the Northwoods League family," said Ryan Voz, President and Commissioner of the Northwoods League. "This community has a rich baseball heritage, and Don McBride Stadium is the perfect venue to host our unique brand of summer collegiate baseball. We look forward to working with local partners to create memorable experiences for fans and players alike."

Richmond has a storied baseball past, having previously hosted the Richmond Roosters of the independent Frontier League from 1995 to 2005, as well as various minor league teams in the mid-20th century. The arrival of the Northwoods League team in 2026 will build on this legacy, bringing a fresh wave of competitive baseball to the region. The league's commitment to developing elite college players—more than 370 of whom have advanced to Major League Baseball—ensures that Richmond fans will witness top-tier talent on the field.

Richmond Community Schools Superintendent Curtis Wright expressed enthusiasm for the partnership, stating, "We are very pleased the Northwoods League is bringing a new chapter of summer baseball to McBride Stadium. Bringing the Northwoods League to Richmond represents much more than just a game, it is an opportunity for our students, families, and the entire community. We are not just welcoming a new baseball team; we are embracing the future while honoring the rich tradition and history that McBride Stadium has carried for generations."

## WADE STADIUM AND ITS PLACE IN TWIN PORTS HISTORY

By: Dylan Ashcraft

Before the Huskies we know and love, there were the Duluth Dukes. Before Historic Wade Stadium, there was the Athletic Park. The year was 1938, and the park was in dire need of replacement, so the Citywide All-Sports Stadium Committee went to work collecting over 7,000 signatures of support on a petition for a \$75,000 bond to build what would be known as the "All-Sports Stadium," according to the archives in [zenithcity.com](http://zenithcity.com). The bond would be approved that year, and a newly established Public Stadium Advisory committee got to work on site planning. This committee included the former owner of the Duluth Eskimos and Minnesota Vikings, Olaf Haugrud.

When the project was all said and done, the total cost was \$230,880. For context, the same stadium fans sat in in 1941 would cost more than \$4.6 million to build in 2022 (and that doesn't factor in any of the modern amenities we have today)! Grand Avenue may be a block away, but more than 380,000 paving bricks from the road's reconstruction were used in the making of the Duluth Municipal All-Sports Stadium, the ballpark's name at the time, ensuring that part in Duluth's history would remain in the city's western neighborhood. The Duluth Dukes would call this stadium home, and on July 16, 1941, they would play their first home game against the Superior Blues, a 6-3 loss.

On February 3, 1954, the stadium was renamed Wade Municipal Stadium after its longtime owner, Frank Wade. The Dukes played with various major league affiliates throughout the 1950's and 1960's, including the Cincinnati Redlegs, The Chicago White Sox, and the Detroit Tigers. By the end of the 1960's, the team was

once again affiliated with the White Sox, but Chicago dropped its affiliation with Duluth due to financial struggles, marking the end of the Dukes' major league sponsorships.

Wade Stadium continued to host high school and college baseball teams in the 70's and 80's, and even hosted marquee concerts, including the Beach Boys, Three Dog Night, and Willie Nelson all rocking the Wade in 1983.

The stadium saw a half million-dollar renovation come in the early 1990's, and after the Dukes moved to Kansas City in 2002, the Duluth Huskies of the Northwoods League would call the Wade home. Between 2014 and 2015 another \$4.6 million dollars were put into reviving the Wade once more. The project included a new drainage system and artificial turf placed in the field, new scoreboard and light installation, reconfiguring the concessions and press box, and adding ticket stalls, according to [zenithcity.com](http://zenithcity.com). The right-field wall was reconstructed after a 2013 collapse, and the entire stadium was given revitalization, some of which was done by volunteers! Today, the stadium remains a staple of the Twin Ports and home to high school, college, and Northwoods League athletics alike.

# HUSKIES CAMPBELL MAKES MLB DEBUT

There are simply not enough words to describe **Kristian Campbell's** 2024 season in the Boston Red Sox Minor League system. Starting the year outside of the Boston Top 30 prospect list, Campbell completely blew up the circuit from beginning to end. Kicking off his campaign in High-A Greenville with a .306 batting average, adding eight home runs and 25 RBI, the former 2022 Northwoods League All-Star was quickly promoted to Double-A Portland and the party was only getting started. With the Portland Sea Dogs, Campbell slashed .362/.463/.582, hitting another eight home runs, knocking in 35 RBI, with 17 doubles and also stole 17 bases over 56 games played. Campbell was recognized as the Eastern League MVP, as well as labeled a Double-A All-Star.

He was promoted to Triple-A Worcester for the final 19 games of the season and continued to produce at the plate with a .286 batting average, four home runs and 17 RBI to round out his season. Through three levels in the Boston system, Campbell finished hitting .330 with 20 home runs, 77 RBI, 32 doubles and 24 stolen bases. He was awarded the 2024 Minor League Player of the Year, Minor League Breakout Player of the Year, Minor League Player of the Year by The Athletic, Baseball America's Minor League Player of the Year, 1st Team All-MiLB, as well as earning the Boston Red Sox Minor League Player of the Year. Campbell's was considered a Top 10 prospect in all of baseball and the top second base prospect by MLB.com before the 2025 season.

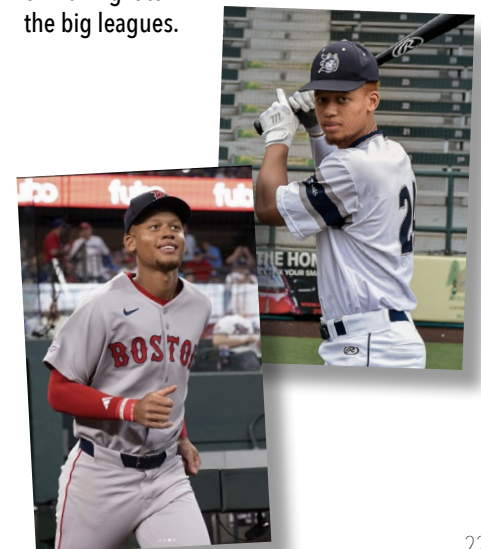

## Campbell Makes MLB Debut with Red Sox on Opening Day

The Duluth Huskies organization proudly congratulates former Huskies standout Kristian Campbell on making his Major League Baseball

debut as part of the Boston Red Sox's Opening Day roster on March 27, 2025 against the Texas Rangers. He was the youngest Red Sox player to debut in the Opening Day lineup since 1968.

Campbell, who played for the Huskies during the 2022 season, showcased his exceptional talent and work ethic while in Duluth, proving to be a key player on and off the field. His time in the Northwoods League helped shape his development, and his journey from Wade Stadium to Fenway Park is an inspiring testament to hard work and perseverance. "We knew he was special the first day he came to the Huskies," said Duluth Huskies Field Manager, Marcus Pointer. "Congratulations to Kristian and his family on this wonderful accomplishment, we wish him all the best in MLB."

Campbell's rise through the ranks highlights the Northwoods League's role in preparing elite collegiate athletes for professional baseball. His debut with the Red Sox serves as an inspiration to current and future Huskies players dreaming of making it to the big leagues.

## ABOUT WADE STADIUM

Historic Wade Municipal Stadium was built in 1941 and opened its gates on July 16 of that year. The original name of the ballpark was Municipal All Sports Stadium. The city renamed it Wade Stadium in 1954 after Frank Wade.

The wall surrounding the ballpark is made of 381,000 bricks taken from Grand Avenue after the street was torn up in 1940.

**We have put together some rules and policies to make your visit to the Wade more enjoyable.**

### ALCOHOL REGULATIONS

Law prohibits the sale of alcoholic beverages to intoxicated persons. Patrons purchasing alcohol must be 21 years of age and must provide proof of legal age. All patrons wishing to purchase alcohol must secure a wristband in order to purchase alcohol. Wristbands are available on the main concourse. The sale of alcoholic beverages will stop at the end of the 9th inning or 10 p.m., whichever comes first.

### ANIMALS

With the exception of "Bark in the Park," animals are not allowed at Wade Stadium unless it is a service animal with verifiable paperwork.

### CONDUCT

Huskies management reserves the right to revoke tickets of any patrons using obscene or abusive language, exhibiting inappropriate behavior, or that appear to be intoxicated. Fans who enter the playing field or interfere with the play of the game are also subject to removal from the stadium.

### FIRST AID

Fans needing first aid or other medical assistance should locate any staff member. For emergency medical service, please contact any staff member inside the stadium or the main concourse.

### FOUL BALLS

Fans are encouraged to keep any baseball thrown or batted into the stands. However, please be aware of any ball or bat leaving play and entering the stands. Fans should be alert to the danger at all times. The Huskies are NOT RESPONSIBLE for any injuries resulting from such accidents.

## FOUL BALL CAUTION

### DISCLAIMER TO OUR FANS AND OUR SPONSORS

In the interest of your safety, your attention is invited to the following. Except for those spectators behind the protective screen, all other persons present are subject to the possibility of being hit by a flying object from the field. Balls batted from the playing field, wildly thrown balls, a thrown or broken bat, or even a "doughnut" swinging off the end of a warm-up batter's bat, often times makes their way into the stadium seats.

Baseball is an inherently dangerous game, and you should, for your own safety, pay close attention to the

game and keep your eyes on the playing field at all times. Protected areas recommended for your seating are behind the protective screen erected for your safety. For those of you with small children, you are asked to explain the danger to the children, and also to protect them from harm by seating them behind the protective screen.

With these warnings, we hope you'll enjoy the ball game in a safe atmosphere. Kindly listen to all announcements made for your benefit and protection over the public address system.

## NWL PACE OF PLAY RULES WHAT YOU NEED TO KNOW

The NWL uses clock guidelines based on college rules, which are different from the rules used by Minor League and Major League Baseball. Here is an overview of what fans can expect.

### :20 Action Clock:

- Clock starts when umpire signals "play" except during an at-bat when the ball remains alive, clock will start when pitcher receives the ball and is on the mound
- With runners on base, defensive team allowed one reset per at bat (pitcher fakes a throw to base or steps off the mound)
- No defensive reset with bases empty unless umpire grants time
- Batter requesting "time" for other than legitimate reason is charged an offensive conference (teams allowed 3 per game)

### :30 Mound Visit Clock

If no pitching change, coach must leave the mound before or when the timer expires.

### Other Timing Considerations

- 2:30 pitching change clock
- 2:15 between-innings clock (if pitching change to start inning, pitcher will be allowed 8 warm-up pitches)

Violations on the defensive team will result in a ball being added to the count. Violations on the offensive team will result in a strike being added to the count.

## NWL PITCHING GUIDELINES

### WHAT YOU NEED TO KNOW

In an effort to most liken the Northwoods League to the entry levels of Professional Baseball the League has implemented the following pitching guidelines:

days of rest prior to making an appearance in a game as a pitcher.

A pitcher:

- Cannot begin a new inning after throwing 100 pitches or more.
- Cannot face a new batter after throwing 110 pitches or more. In the event a starting pitcher has not allowed a hit, he will not be allowed to begin a new inning after throwing 120 pitches or more.

If a pitcher throws 35 or more pitches in one inning, he will not be allowed to return for the next inning or the remainder of the game.

A pitcher cannot make appearances in more than two consecutive days. The official scorer will have final say with regard to pitch counts.

A game in which a team(s) is in violation of the Pitching Guidelines shall result in the win from that game being removed and replaced with a loss for the offending team(s). The non-offending team will have their loss taken away but they will not be given a win.

Following an appearance in which a pitcher throws:

- 100 or more pitches, he must have five full days of rest prior to his next appearance in a game.
- Between 85-99 pitches, he must have four full days of rest prior to making an appearance in a game.
- 50 pitches or more he must have two full

All statistics from the game will remain with the exception of the WON/LOSS record.

## NWL EXTRA INNINGS RULE

For all regular season games but not including playoff games, all extra innings (which are defined as beginning in the 10th inning and each subsequent inning of the game thereafter) will begin with a runner on second base. The runner at second base will be the player in the batting order position previous to the leadoff batter of the inning (or a substitute for that player).

For example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such

player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game, as is the case in all circumstances under official playing rules.

For purposes of calculating earned runs, the runner who begins an inning on second base per this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player. The loss in such extra-inning games still counts against the pitcher.

# NWL PLAYOFF DATES/FORMAT:

**PLAYOFF DATES:** Sunday, August 11 – Thursday, August 14, 2025 (if a weather or travel day is needed, the playoffs may be extended to Friday, August 15).

The League, which plays two halves to determine playoff participants, will end the first half of play on June 30 with the second half beginning the following day. Interleague play continues this season as teams in the Great Plains Division will face teams in the Great Lakes Division throughout the season.

**PLAYOFFS FORMAT:** The League will continue with the same playoff format that was adopted for the 2019 season. First and second half sub-divisional winners in the Great Lakes and Great Plains division will be eligible for the playoffs. In the event the second half sub-divisional winner also won the first half, the team in the sub-division with the highest overall winning percentage will also make the playoffs. The two playoff eligible teams in each sub-division will compete in a best of three Sub-Divisional Series.

The two Sub-Divisional Series winners will then play a one-game Divisional Championship Game. Then the two Divisional Game winners will play a one-game League Championship.

Section 5. A tie breaker will be used when teams have an identical winning percentage for a half season or a full season in determining home field advantage or sub-divisional champion for that respective half season. The tie breaker is as follows for determining a sub-divisional half season champion, sub-divisional home field advantage, or divisional home field advantage:

1. Overall head to head winning percentage
2. For sub-divisional standings and series: Winning percentage vs. the next highest placed team in sub-division, using overall record, and so on throughout sub-division. If a Team has not played against the highest placed Team in the sub-division or any subsequent Team, then the Team's record versus the next highest placed Team will be used.
3. For Divisional Championship Game: Winning percentage vs. teams in the other sub-division. And, if still tied; The team whose opponents in the other sub-division had the highest overall, combined winning percentage.
4. Coin flip

## SHARE THE GLOVE FOUNDATION AWARDS \$50,000 in GRANTS

The Northwoods League Foundation, in partnership with NWL teams and Official Uniform & Equipment Supplier, Rawlings Sporting Goods, has awarded equipment grants to youth baseball and softball organizations across the Midwest totaling more than \$50,000.

"Local youth teams are the heartbeat of their communities and provide kids with the opportunity to develop lifelong skills and friendships," said Tina Coil, Northwoods League Deputy Commissioner. "We are grateful to partner with our member teams and equipment partner, Rawlings Sporting Goods, to support youth baseball & softball across the Midwest."

Each grant features Rawlings equipment, including catcher's gear, fielding gloves, batting helmets, bats and practice balls.

Introduced in 2018, The **Share the Glove** initiative supports participation in youth baseball and softball activities throughout Northwoods League communities. Annually, League affiliates promote the grant and collect applications from youth organizations in their local markets.

The Northwoods League Foundation proudly recognizes these organizations as this year's recipients of a Share the Glove equipment grant, and the NWL market they represent:
