Spring / Summer Internship Opportunity

Community Sales Internship

February – August

The Mankato MoonDogs & Habaneros are looking to hire four community sales interns for 2026. The position would start mid February and would run through August. Interns will have the opportunity to work hands-on in vital roles within the organization over the course of the season. This position includes a stipend, and will be part-time from February to April, starting full-time in mid-May.

All scheduled games are required workdays. Otherwise, Monday – Friday, during the hours of 9:00am – 5:00pm on non-game days. Expect to work some or most weekends from May – August. The hours will fluctuate based on the amount of home games each week. The hours can be as low as 40 on a non-game day week and increasing to 80+ on a home game-heavy week during the summer. There will also be some nights and weekends of preseason work to get ready for the season.

The hours will be long and will challenge your work ethic, but if you work hard, have a positive attitude, and enjoy the summer, this internship will be rewarding. Our staff are people with great connections that will provide you with an exceptional reference if you prove yourself a valuable employee; they will be lifelong connections for you in the sport industry. The MoonDogs & Habaneros are looking for passionate, self-motivated individuals striving to go above and beyond to fill these positions, and ultimately create the best experience for our fans:
