Summer Internship Opportunities

Marketing & Merchandise Internship

April - August

The Mankato MoonDogs & Habaneros will hire various interns for the 2026 season. Interns will have the opportunity to work hands-on in vital roles within the organization over the course of the season. Internships are full-time and paid in a stipend and can be used for school credit or general experience. The hours will fluctuate based on the amount of home games each week. All scheduled games are required. Otherwise, Monday – Friday as need on non-game days. Expect to work most weekends from April – August. The hours can be as low as 20 on a non-game day week and increasing to 80+ on a home game heavy week. There will also be some nights and weekends of pre-season work to get ready for the season. Each intern will be involved in learning to operate ticket sales and daily operations. The job duties below are the areas you will most focus in, but you must be willing to accept responsibilities outside of your job description and help out in other areas of the organization due to the small nature of the office staff.
