Summer Internship Opportunities

Video Production Internship

April - August

The Mankato MoonDogs & Habaneros will hire various interns for the 2026 season. Interns will have the opportunity to work hands-on in vital roles within the organization over the course of the season. Internships include a stipend and can be used for school credit or general experience. The hours will fluctuate based on the amount of home games each week. All home game days are required. Expect to work most weekends from May – August. There will also be some nights and weekends of pre-season work to get ready for the season. Each intern will be involved in learning daily operations. The job duties below are the areas you will most focus in, but you must be willing to accept responsibilities outside of your job description and help out in other areas of the organization due to the small nature of the office staff. The MoonDogs are looking for passionate, self-motivated individuals striving to go above and beyond, ultimately creating the best experience for our fans.

Video Production Internship

Candidate must have a wide knowledge of baseball and video production

- Learn the Northwoods league broadcast system, camera directing, PC directing, video production supervision, through the NWL training
