## OUR MISSION

## MESSAGE FROM LEPRECHAUN LEADERSHIP

**“At the Royal Oak Leprechauns, baseball has always been about more than the game itself. It’s about community. As someone who grew up in Metro Detroit, I know just how special this area is and it all comes down to the people. Royal Oak is at the heart of our team, and your support fuels everything we do. Whether it’s investing in infrastructure or creating unforgettable moments at the ballpark, we’re committed to giving back to the city we proudly call home. This Community Impact Report is a look at the ways we’ve worked to keep Royal Oak a great place to live, work, and thrive.”**
