Summer Internship Opportunities
Hospitality / Team & Gameday Operations
March - August

The Mankato MoonDogs & Habaneros will hire four Hospitality/ Team & Gameday Operations interns for the 2025 season. Interns will have the opportunity to work hands-on in vital roles within the organization over the course of the season. Internships are seasonal and include a stipend and can be used for school credit or general experience. The hours will fluctuate based on the amount of home games each week. All scheduled games are required, and hours will depend on the day / game. Expect to work most weekends from May – August. There will also be days of preseason work to get ready for the season. Each intern will be involved in learning daily operations as well. The job duties below are the areas you will most focus in, but you must be willing to accept responsibilities outside of your job description and assist in other areas of the organization due to the small nature of the front office. The MoonDogs & Habaneros are looking for passionate, self-motivated individuals striving to go above and beyond, ultimately creating the best experience for our fans.
