

INTERNSHIP DESCRIPTION

BASEBALL ANALYTICS INTERNSHIP

SUMMER 2027

Join the St. Cloud Rox Baseball Club for a summer internship to gain vast behind-the-scenes experience in the sports industry. The Rox are an industry leader in fan support, winning, community engagement, staff development, along with consistently creating a ballpark environment that is incredibly entertaining and fun for fans and staff. The Rox have a proven track record of providing interns with hands-on experience and knowledge that will be useful in competing for jobs in the sports industry. Many former Rox interns have obtained a full-time job with sports organizations after their internship. The ideal candidate is enthusiastic, a strong communicator with the ability to work in a team environment, has an eagerness to learn, and possesses the flexibility to adapt to what each day brings with a positive attitude. The Rox will work with you to fulfill requirements for college credit if necessary.

This position starts in May and lasts through mid-August.

Reports to: General Manager/Rox Coaching Staff

RESPONSIBILITIES

- Manage the Synergy video and analytics system throughout the season, including camera setup, monitoring camera angles during games, camera removal following games, and uploading game footage.
- Help create hitting and pitching charts for each game.
- Provide statistical analysis and insights to coaches for game preparation and in-game decision-making.
- Meet with coaches as needed to analyze data and review relevant statistics and analytics.
- Communicate with the Director of Media Content regarding notable player performance, including hot streaks, broken records, and other significant statistical information.
- Operate DakStats (videoboard stats) during Rox home games.
- Assist with stadium setup and teardown before and after the season.
- Perform other duties and responsibilities as assigned.

QUALIFICATIONS

- Strong knowledge of baseball terminology, statistics, and game operations
- One year of experience working with baseball analytics (D1 college baseball level or higher preferred)
- Knowledge of Synergy Baseball and Trackman (preferred by not required)
- High level of mathematics and statistics aptitude
- Self-motivated and very organized
- Have a positive attitude and provide a strong effort to succeed
- Availability to work Rox home games, which includes some nights and weekends
- Ability to complete assigned tasks accurately and on schedule
- Demonstrate cooperation, responsiveness, dependability and professionalism when working with staff & players.
- Succeed in a team environment
- Strong communication skills.

ROX **SOLID** FUN!
